

NEUROBIOLOGY, B.A.

HOW TO GET IN

The advisors for the Neurobiology Major (<https://neuromajor.wisc.edu/>) are committed to providing students with first-rate guidance through the major to graduation and beyond. Most students are ready to declare a major by the end of the 3rd or 4th semester. **If you are interested in declaring the Neurobiology Major, you must first make an appointment to meet with an advisor.**

See our website (<https://neuromajor.wisc.edu/advising/>) to schedule an appointment.
