

# ZOOLOGY, BS

## ADVISING AND CAREERS

### ADVISING AND CAREERS

#### DECLARE OR CANCEL THIS MAJOR

Please follow the process described on the Zoology Major website (<https://integrativebiology.wisc.edu/undergraduate-programs/zoology-major/zoology-undergraduate-major-advising/>).

#### DIRECTED STUDY

The Zoology major is an excellent choice for students interested in an undergraduate research experience.

Directed Studies allows students to gain experience in a wide range of research areas in biology and to learn research techniques that are not easily taught in the classroom. Such experiences allow students to make more informed decisions about their future goals and careers. Before students can enroll in Directed Study, they must set up an appointment with a professor/mentor of their choice.

Students interested in doing in-depth research as undergraduates in an area of interest can elect to do a Senior Thesis or Senior Honors Thesis. Students should contact a department advisor at the beginning of their junior year to explore possible research areas.

#### STUDY ABROAD

Learning in Letters & Science emphasizes discovery, growth, understanding different perspectives, and challenging yourself, which makes studying abroad an excellent fit for many L&S students: [studyabroad.wisc.edu](https://studyabroad.wisc.edu) (<https://studyabroad.wisc.edu/>)

As a university with global influence, we have more than 300 study abroad programs (<https://studyabroad.wisc.edu/programs/>) in over 80 countries. These vary in length, academic focus, teaching format, language requirements, cost, and level of independence. There are many programs to complement every major (<https://studyabroad.wisc.edu/academics/major-advising-pages-maps/#L&S>) and any year of college (including the final semester)—and all meet UW–Madison’s high academic standards. Students admitted into Letters & Science can even choose a short program in the summer before they start college or their whole first year: [studyabroad.wisc.edu/launch](https://studyabroad.wisc.edu/launch) (<http://studyabroad.wisc.edu/launch/>). Talk with your academic advisor about how studying abroad might fit with your academic plan.

#### SUCCESSWORKS

SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps you turn the academic skills learned in your classes into a fulfilling life, guiding you every step of the way to securing jobs, internships, or admission to graduate school.

Through one-on-one career advising, events, and resources, you can explore career options, build valuable internship and research experience, and connect with supportive alumni and employers who open doors of opportunity.

- What you can do with your major (<https://successworks.wisc.edu/what-you-can-do-with-your-major/>) (Major Skills & Outcomes Sheets)

- Make a career advising appointment (<https://successworks.wisc.edu/make-an-appointment/>)
- Learn about internships and internship funding (<https://successworks.wisc.edu/finding-a-job-or-internship/>)
- Try “Jobs, Internships, & How to Get Them,” (<https://successworks.wisc.edu/canvas/>) an interactive guide in Canvas for enrolled UW–Madison students
