TRANSFER STUDENTS

Transfer students interested in earning an undergraduate degree in the College of Letters & Science will need to apply for admission through the Office of Admissions and Recruitment at UW–Madison. Transfer students must complete all Letters & Science degree requirements. Once admitted, transfer students should obtain a copy of their DARS (https://Registrar.wisc.edu/dars-student/) report which will explain how their transfer credits will apply toward L&S requirements. Students can request and review their DARS in the Student Center via My UW (https://my.wisc.edu). Students can also request DARS for programs, majors, or certificates that they have not declared but are interested in declaring. These reports are called “what-if” reports. (Please note that some programs may not be available in DARS. For information about requirements in a program not available in DARS, contact the advisor for the particular program.)

Please note that the DARS audit serves as the document of record (DOR) for students in the College of Letters & Science. The DOR is used to certify completion of degree requirements, and it is retained according to university record retention and archival policies.

Students can transfer only a limited number of credits from non-degree-granting accredited institutions and correspondence courses. See non-degree-granting accredited institutions’ transfer credit limitation (p. 1) in the Guide under Credits.

Transfer students who have more than 30 degree credits are ineligible to earn retroactive credits in a foreign language on the UW–Madison campus. See credit by course examination/retroactive credits (p. 1) in the Guide under Credits.

Advisors for freshman and sophomore students are in the L&S Academic Advising Services (608-262-5858) in 101 Ingraham Hall and the Cross-College Advising Service (608-265-5460) in 10 Ingraham Hall. Junior and senior transfer students should meet with an advisor in the department in which they intend to major. All L&S undergraduate students are expected to declare a major by the time they have 86 degree credits.

Transfer students should note that the L&S degree requirements have changed as of summer 2007. Those students who matriculated before May 21, 2007 are eligible to complete the degree requirements in force at the time they began their college-level studies. (See previous catalogs under Archive (http://guide.wisc.edu/archive/) for more information.)

Because some requirements in force before this edition of the Guide differ substantially from the requirements articulated here, transfer students are strongly encouraged to refer to the undergraduate catalog or Guide in force at the time of their first matriculation to college. (See past catalogs (http://guide.wisc.edu/archive/) to review the requirements that apply.) For some students, it may be to their benefit to consider transferring to the new degree requirements; they may consult with their academic advisor if they wish to consider this option.

ON-CAMPUS TRANSFER

Continuing UW–Madison students must have a minimum 2,000 cumulative grade point average and a UW–Madison grade point average of at least 2,000 in their most recent semester of work in order to transfer into the College of Letters & Science. First-semester and new transfer students without a UW–Madison grade point average may transfer into Letters & Science provided they meet university admission requirements (three units of math and two units of a single foreign language). Students admitted to the university with admission deficiencies must remove those deficiencies before they are eligible to transfer into L&S. For more information about transferring into L&S, call 608-262-5858 or refer to request to transfer into L&S (https://advising.ls.wisc.edu/transfer/).

Students transferring into one of the general courses from a special course (AMEP, Music), or from another college/school of the university to the College of Letters & Science will receive no more than 18 credits per semester toward graduation for work already completed, unless a 3.000 grade point average was earned the previous semester or the semester the overload was carried. Then a maximum of 20 credits from that term may be transferred. These transferring students will receive credit for studies in another college/school, but will be subject to the conditions of the Liberal Arts and Science Credits requirement. (See Liberal Arts and Science Credits (p. 1).)

UNIVERSITY SPECIAL STUDENTS

If you are not currently enrolled in a UW–Madison degree program but wish to take courses within the College of Letters & Science at UW–Madison for credit as a non degree-seeking candidate or as an auditor, it may be best to consider becoming a special student (https://acsss.wisc.edu/special-student-types/). Information about becoming a non degree-seeking student at UW–Madison can be found at Adult Career and Special Student Services (https://acsss.wisc.edu/apply/).
