BE PREPARED FOR YOUR ADVISING APPOINTMENT

Please bring the following to your appointment:

- A pen and paper for note taking.
- Any form you may need signed. Be sure you have filled out all pertinent information and have read the form/document thoroughly.

WHAT TO EXPECT FROM AN ACADEMIC ADVISING APPOINTMENT

Academic advisors help students learn and understand their degree and major requirements. Programs in the Mead Witter School of Music are highly sequential, and some required courses are offered only once each year. Many of our undergraduates are interested in earning an additional major and/or certificate; with careful planning each semester, this is possible. Advisors often can explain some of the differences between courses that meet the same degree requirement. For students considering study abroad, it's a good idea to begin exploring programs early in your degree and work with your advisor to determine the program length (semester/summer/year) that will best fit your needs and interests.

It is recommended that you see an advisor at least once a semester to plan your courses and check progress toward degree completion. Students sometimes need clarification of degree requirements, particularly if they are considering switching to a different major/degree program within the School of Music.
