

LANDSCAPE AND URBAN STUDIES, B.A.

ADVISING AND CAREERS

Students enrolled in the major Landscape and Urban Studies have three opportunities for advising:

1. Our undergraduate coordinator (<https://dpla.wisc.edu/staff/debi-griffin/>) can assist with general questions about registration, student assistance, and progress in meeting major requirements.
2. All students entering the program may choose a faculty advisor (see People/Instructors) to assist with guidance specific to the curriculum (e.g. coursework, internships, research) and career opportunities.
3. The College of Letters & Science offers advice on career paths, networking, and job search preparation (see below).

L&S CAREER RESOURCES

Every L&S major opens a world of possibilities. SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps students turn the academic skills learned in their major, certificates, and other coursework into fulfilling lives after graduation, whether that means jobs, public service, graduate school or other career pursuits.

In addition to providing basic support like resume reviews and interview practice, SuccessWorks offers ways to explore interests and build career skills from their very first semester/term at UW all the way through graduation and beyond.

Students can explore careers in one-on-one advising, try out different career paths, complete internships, prepare for the job search and/or graduate school applications, and connect with supportive alumni and even employers in the fields that inspire them.
