Planning and Landscape Architecture

The Department of Planning and Landscape Architecture offers two undergraduate programs. One is a professional landscape design and planning program, fully accredited by the American Society of Landscape Architects, and leads to the Bachelor of Landscape Architecture special degree within the College of Letters & Science. The other program introduces the field of landscape studies and leads to either a Bachelor of Arts or a Bachelor of Science degree with a major in Landscape and Urban Studies.

DEGREES/MAJORS/CERTIFICATES
