ADVISING AND CAREERS

ADVISING

Dr. Corrie Norman is the undergraduate advisor and Honors in the Major advisor. Contact her by email at cenorman@wisc.edu to meet with her. Students are encouraged to meet with Dr. Norman early in their academic careers in order to plan for successful completion and take advantage of opportunities such as Honors, special research, internship, service learning or study abroad opportunities in associate with the major or certificate.

CAREERS

Religious studies engages a variety of professional disciplines and provides important preparation for thinking, communicating and functioning professionally in a complex, multi-dimensional world.

Religious studies sponsors workshops and other career exploration vehicles, often in collaboration with SuccessWorks at the College of Letters & Science, to aid students in articulating the value of religious studies for their career preparation. Student-developed capstone projects in religious studies often make specific connections to experiential learning and career preparation in a range of fields. Talk with Dr. Norman about possibilities for combining internships and other forms of preprofessional training with the major and certificate.

L&S CAREER RESOURCES
