L&S CAREER RESOURCES
SuccessWorks at the College of Letters & Science helps students
leverage the academic skills learned in their major, certificates, and
liberal arts degree; explore and try out different career paths; participate
in internships; prepare for the job search and/or graduate school
applications; and network with professionals in the field (alumni and
employers). In short, SuccessWorks helps students in the College of
Letters & Science discover themselves, find opportunities, and develop
the skills they need for success after graduation.

SuccessWorks can also assist students in career advising, résumé and
cover letter writing, networking opportunities, and interview skills, as well
as course offerings for undergraduates to begin their career exploration
early in their undergraduate career.

Students should set up their profiles in Handshake (https://
careers.ls.wisc.edu/handshake/) to take care of everything they need to
explore career events, manage their campus interviews, and apply to jobs
and internships from 200,000+ employers around the country.
