ADVISING AND CAREERS

OFFICE OF ACADEMIC AFFAIRS
The Office of Academic Affairs is the undergraduate dean’s office for the School of Nursing. Staff members interpret school regulations, policies, and program requirements; make exceptions around requirements and deadlines; advise prospective and current students; monitor students having academic difficulties; coordinate compliance; facilitate the program’s admissions process; and maintain the official files of students in the school.

ACADEMIC ADVISING
Academic advising is an essential component of undergraduate education. The primary advising mission in the School of Nursing is to help students identify and clarify their academic pathways and educational goals, and to help them develop meaningful plans to ensure academic success. Advising is an ongoing, caring, and collaborative relationship between advisor and student that provides meaning, guidance, and support throughout the educational process. Every pre-nursing (PRN) and nursing (NUR) student is assigned a professional advisor in the nursing school (https://students.nursing.wisc.edu/undergraduate-menu/undergraduate-advising/). Advising is offered in individual appointments, group advising, and graduation checks for seniors.

CAREER ADVISING
In addition to professional academic advisors, the School of Nursing has career advising available to help students prepare for a successful career in nursing. Services include resume and job search assistance, online job postings, information sessions, and nursing career fairs.
