## ADVISING AND CAREERS

### ADVISING AND CAREERS

The School of Nursing's advising team helps students identify academic pathways and educational goals to aid in developing meaningful plans to ensure academic and career success. We believe that advising is an ongoing, caring, and collaborative relationship between advisor and student that provides meaning, guidance, and support throughout the educational process.

#### ACADEMIC ADVISING

All students are assigned an academic advisor based on the nursing or pre-nursing program with which they are affiliated. Detailed information on the school's advising structure and staff is available on the School of Nursing's academic advising website.
